complete an Internship with us!

INTRODUCTION

Stunited Internship Programme

Stunited brings you amazing ways to start your career in the United Kingdom!

If you are a fresher or a graduate student in the UK and looking for internship or placement opportunity that will not only add value to your CV but also will get you prepared for the competitive business landscape the UK has, with relevant skill development, hands-on training, proper exposure, networking opportunities, branding opportunities and more, Stunited can be your go to choice.

Go through this Free E-Book on Stunited Internship and explore how you can be benefitted from us, as an intern!

Who will be most benefitted from Stunited Internship?

Stunited Internship programme is exclusively designed for fresh graduates completing degree from reputed universities of the UK. Besides, professionals trying to migrate to the UK and start a career afresh can also apply.

Young individuals in the UK seeking skill training opportunities, working professionals trying to change the career domain or industry, international students lacking references or network - All can apply for our internship and start their professional journey with us!

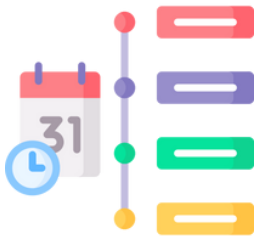

WHY?

Know why you should do internship with us -

01. Intensive Training Programme

Stunited's training program blends theory and practice through classroom learning, real-world projects, and mentorship, preparing interns to apply skills effectively, solve challenges, and excel in professional roles.

02. Flexible Schedule

Interns gain hands-on experience while balancing academics or personal commitments, allowing them to build practical skills, enhance resumes, and apply classroom knowledge in real-world settings for comprehensive professional growth.

03. Career Development Support

Stunited offers tailored career guidance with mentorship, networking events, and resume workshops, helping individuals build skills and connections essential for career growth.

04. Proven Success

Many past interns experienced notable career growth, with a high rate of job offers received soon after completing their internships.

05. Career Opportunities Assistance

You get innumerable career opportunities and assistance during and after you internship with us. Keep exploring to know more!

HOW?

How you can get the placement with Stunited -

01. Application Process

Interns apply through Stunited's online portal, submitting their CV. As part of their application, they are enrolled in job skills training courses that set the foundation for their internship journey.

02. Selection Criteria

Candidates are assessed on their academic qualifications, relevant experience, and compatibility with the company's culture.

03. Interview and Assessment

Shortlisted candidates participate in an interview and complete a role-specific assessment task designed to evaluate their suitability for the internship position.

04. Notification

Successful applicants receive an offer letter outlining the details of their internship, including the role's specifics and onboarding schedule.

WHAT?

What are the benefits we offer to our interns -

01. Structured Training Modules

Interns engage in workshops, seminars, and practical projects that foster a blend of technical expertise and soft skills, preparing them with well-rounded competencies for dynamic, real-world professional environments.

02. Mentorship and Guidance

Each intern is assigned a mentor who offers continuous guidance, support, and constructive feedback, ensuring the intern's growth and development throughout the duration of the program.

03. Career Resources

Provides career coaching, industry insights, and resources to strengthen employability, offering valuable tools and guidance to help individuals succeed in their professional journey after completing their internship.

04. Post-Placement Benefits

Interns receive tailored evaluations and constructive feedback, enhancing their skills, boosting confidence, and preparing them for the workforce with valuable insights and actionable recommendations for career readiness.

05. Networking Opportunities

Building connections with a diverse network of professionals allows interns to enhance their industry contacts, gaining valuable insights, mentorship, and potential career opportunities that can support their professional growth.

06. Branding Facilities

Stunited, in association with

www.brandme4job.com brings you exclusive Personal Branding opportunities which you will be getting at a special discounted price! The personal branding packages come with multiple career and interview assistance that you will not be willing to miss out! Get in touch with us to collect the E-Book on Personal Branding for free to know more details!

07. Exposure

Stunited along with Brand Me 4 Job, provides its interns with enough opportunities to get noticed. We feature our most eligible interns on our story boards, featured candidate boards and on our business magazine!

08. Recognition & Certification

The best interns are chosen based on the performance during the internship and they are awarded Stunited Recognitions. Also you get a Certificate of Completion after your Internship with us. This will help

OUTCOME

What are the benefits we offer to our interns -

01. Skill Enhancement

Upon completing the internship, participants gain advanced skills and in-depth knowledge, enhancing their qualifications and making them highly competitive candidates in the job market.

02. Job Readiness

Interns gain valuable insights into professional environments, enhancing their skills and work experience, which significantly boosts their chances of securing full-time employment opportunities in their desired field.

03. Career Path Clarity

The program assists individuals in recognizing their strengths, exploring career interests, and uncovering potential job opportunities, guiding them towards making informed decisions for their professional growth and success.

04. A Wide Professional Network

By the time you will be completing your internship with us, you will be having a wide professional network in the UK that will help you move forward with your career.
